## Terms

Pets are accepted for grooming only under the following conditions:

1. The animal is fit and healthy. Any grooming which takes place on an elderly animal or animal with health problems will be at the owner's risk. Grooming may expose pre-existing health/skin problems for which the company cannot be held liable.
2. The animal is vaccinated up to date. Any unvaccinated animal puts itself and others at risk. Utah laws mandate your animal to be current on vaccinations. Any animal not current on vaccinations is considered at risk for infection and airborne illness. We are **not** responsible for keeping your pet vaccinated and will not pay for any bills due to illness of your unvaccinated or vaccinated pet.
3. In the event of any emergency situation we are authorized to receive veterinary care and we are authorized to have the vet treat the emergency situation as necessary. In case of injury, the vet may contact you for permission for procedures.
4. Shaving/Dematting/thinning out of matted hair may cause patchiness and hair loss. It may also expose wounds, infections and other skin issues. We are not responsible for any treatment(s) to your pet due to shaving off matts.
5. Shaving of matted pets will dramatically change the pet's appearance and the hair will be very close to skin.
6. Payment is due at time of service.
7. Camp Barkalot closes at 7:00 PM on weekdays and 5:00 PM on weekends. If your pet is not picked up at the time of close we reserve the right to board your pet and boarding charges will apply.

*I hereby agree to the foregoing as owner of the pet(s).*
